

2019 George Washington Chapter Compatriot Grave Marking

On November 16th, a very cold and blustery day, the George Washington Chapter compatriot and Past President, Paul Walden, organized the event, with two other VASSAR Chapter's and five VADAR Chapter's represented to pay their respects. Chapter President, Dave Thomas honored the three compatriots with a brief description.

With the VASSAR Color Commander, Ken Bonner and a guardsman providing the impressive pomp and circumstance for the occasion, with the Rev. Thomas Costa providing the spiritual reflection during the ceremony.

It should be noted, that Robert Duncan was the first President the George Washington Chapter in 1954.
